

MULTIFAITH CALENDAR Gratitude

Celebrating its thirtieth year, the 2016 Multifaith Calendar's theme is "Gratitude." The majority of us in the western world live in the land of "milk & honey" overflowing with resources, opportunities & beauty. As we listen to the constant tales of woe and suffering in the media, we can lose sight of all we truly have to be grateful for in our lives.

We invite you to see the world with heart-opened eyes - the beauty of the sunset, hands to hold, people to cry and laugh with, a roof over your head, freedom of beliefs.

The calendar is an effective tool to embrace our world of diversity where people of many cultures and faiths share lives and seek a more comprehensive and intimate understanding of each other's beliefs.
