

WNY Climate Justice Pledge

“The climate is a common good, belonging to all and meant for all...A very solid scientific consensus indicates that we are presently witnessing a disturbing warming of the climate system.” Pope Francis, *Laudato Si'*

WE, THE CITIZENS OF WESTERN NEW YORK call on President Obama to lead the world to a universal agreement to cut greenhouse gases at the 2015 Paris Climate Conference (COP21) and to use the power of his office to mobilize public support for climate justice.

WE PLEDGE to take action on climate to protect the EARTH, OUR COMMON HOME, to ensure a sustainable, just world for now and future generations.
