

The 4th Annual World on Your Plate Food Forum

Join us in this opportunity to explore food security and food politics in creative, thoughtful, and hands-on ways!

KEYNOTE ADDRESS

WHAT'S THE ECONOMY FOR, ANYWAY? By John DeGraaf

Producer of acclaimed documentary and book, "Affluenza," John will speak about challenging the epidemic of overworking, over-scheduling and time famine — all of which threaten our health, our families, our relationships and communities.

And Join Us Before the Conference for a SPECIAL RECEPTION AND SCREENING OF "AFFLUENZA" WITH JOHN

Friday, October 12th at 6PM
Squeaky Wheel Media Arts Center
712 Main Street

SPACE IS LIMITED, RSVP TO 894-2013

THE 4TH ANNUAL WORLD ON YOUR PLATE IS PRESENTED BY:

The World on Your Plate Coalition, a collaboration promoting sustainable lifestyles for farmers, farm workers and consumers. We seek to advance education on issues of food safety, security and sovereignty, restoring the earth and creating a “table” where all are welcome.

INCLUDING:

Food for All, a program of the Network of Religious Communities, was established in 1982 in response to hunger-related needs. Today our purpose is to educate, research, assist and identify solutions to hunger and need for food security, accessibility, and nutritional resources.

Indigenous Women’s Initiatives seeks to empower Native women of all ages who reside within the Haudenosaunee or Six Nations/Iroquois territory and to educate the public about Indigenous Peoples.

WNY Peace Center, a non-profit dedicated to responding on urgent local and global peace-related crises throughout the world and in our communities.

The Massachusetts Avenue Project (MAP), nurturing the growth of a diverse and equitable community food system to promote local economic opportunities, access to affordable, nutritious food, and social-change education. **MAP is the also the coordinator of this year’s Eat UP! Conference**, for youth ages 13 to18 — the youth companion to the World On Your Plate Forum — designed by youth from MAP’s Growing Green Program. Growing Green is an urban, organic agricultural training program that develops life-skills and provides meaningful work to youth. You can find out more about Growing Green and MAP at www.mass-ave.org.
